This program is for you if:

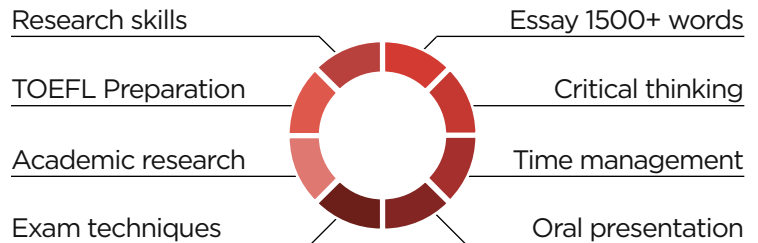

- You have finished high school and are planning to enroll in an undergraduate program (diploma or Bachelor's degree) at a Canadian University or College.
- You have graduated from University and are planning to enroll in a postgraduate program.
- You want to be prepared for Canada's challenging higher education standards and be successful.

What you will learn:

- The Pathway Program offers much more than proficiency in the language. We offer an intensive preparatory course for Canadian academic life.
- Pathway Program students enter College / University with the advantage of being familiar with the Canadian Higher Education system.

Program highlights:

- Students who successfully complete the University Pathway program can enter most of ILAC's 65+ partner Universities and Colleges without additional testing.
- Focus is placed on communication, reading, studying and effective learning from academic textbooks, plus note-taking strategies from academic lectures.

* Each College / University has specific admission criteria that vary by credential, course and intake. All admission requirements are sent at the time the student chooses the course.

Services provided without charge to Pathway Program students:

Specialized and highly trained staff to support agencies and students, both in Vancouver and in Toronto.

Customized Study Plans considering goals, professional and academic experience of students and level of proficiency in English.

Full student support throughout the application process until entry into College / University. Including: providing the necessary documentation, receipt of the letter of acceptance, payment of tuition, etc.

Pathway program - step by step

- 1.** Contact ILAC's Pathway Team for a link to our free Online English Assessment Test
- 2.** Help students fill the Pathway Pre-Evaluation Form and submit to pathway@ilac.com
- 3.** Present course options sent by ILAC for the student and help them choose the course and intake
- 4.** Register the student to ILAC's Pathway Program
- 5.** Send all documentation required for application to the College / University, according to instructions sent by an ILAC Pathway Specialist
